

MATERIAL SAFETY DATA SHEET

1. Identification of the Product and of the Company

- 1.1 Product Name:** M175 Adhesive coated Polyester film
Brand Name: N/A
Additional identification:
Chemical name: N/A
CAS-No: N/A
- 1.2 Relevant Identified Uses:**
- 1.3 Supplier for Sweden :SolfilmsProdukter AB Telephone:** 0431-410155
Metallgatan 12B, 26272 ÄNGELHOLM **Email:** info@solfilmsprodukter.se
- 1.4 Emergency telephone number: +46 (0)431 410155**

2. Hazards Identification

- 2.1 Classification of the substance**
The product is not classified as hazardous according to the legislation in force.
- Hazard Summary:**
- Physical hazards:** No significant hazards associated with this material
- Health hazards:**
- Inhalation** None known at normal application temperatures
Eye contact None known
Skin contact: None known
Ingestion None known
- Other health effects:** None identified
- Environmental hazards:** None known
- 2.2 Label elements:** Not applicable
- 2.3 Other hazards:** None known

3. Composition/information on ingredients

Chemical name: Not applicable

Classification: Material is not classified according to DSD or CLP

4. First Aid Measures

There is unlikely to be a situation where first aid measures are required as a result of handling this product; in the unlikely event of exposure by

inhalation Treat symptomatically; move to a well ventilated area; obtain medical attention if symptoms occur.

skin contact Wash with soap and water; seek medical attention if adverse symptoms occur.

eye contact Flush with water and seek medical advice; if necessary, remove contact lenses; seek medical attention if necessary.

ingestion Treat symptomatically; seek medical advice if necessary.

5. Fire Fighting Measures

5.1 Extinguishing media Water, chemical powder, foam or carbon dioxide

5.2 Special hazards Self contained breathing apparatus may be required if exposed to smoke and/or fumes.

6. Accidental Release Measures

6.1 Personal precautions, protective equipment and emergency procedures: Not applicable

6.2 Environmental precautions: Not regarded as dangerous to the environment

6.3 Clean up procedure: Sweep/pick up and dispose of in accordance with local authority guidelines.

7. Handling and Storage

Handling	Handle product with normal manual handling techniques.
Storage	Store in a cool, dry place away from sources of ignition. Keep packaging closed to prevent contamination/moisture ingress.

8. Exposure controls / Personal protection

Exposure control	General room ventilation
Respiratory	No requirement
Hands/skin	No requirement but gloves may be preferred when handling
Eyes	No requirement

9. Physical and Chemical properties

Appearance:	
Physical state	Solid sheet/roll form
Colour	Clear
Odour:	Negligible
Flammability:	N/A
Specific gravity:	N/A
Solubility in water:	N/A

10. Stability and Reactivity

Room temperature stability	Stable
Materials to avoid	Solvents may impair product
Conditions to avoid	N/A
Hazardous decomposition products	N/A

11. Toxicological Information

Inhalation	Fumes and vapours that are irritating to the eyes, nose and throat may be produced if product is subjected to combustion.
Skin contact	Not applicable
Eye contact	Mechanical irritation only
Ingestion	Not likely under normal handling and use
Chronic effects	There are none known

12. Ecological Information

Adverse ecological effects would not be expected from this product.

13. Disposal Considerations

Dispose of in a responsible manner in accordance with local authority regulations

14. Transport Information

This product is not classified as Dangerous for Transport under ADR/RID, IMDG, IATA

15. Regulatory Information

Not classified as dangerous for supply and/or use.

16. Other Information

The information in this Material Safety Data Sheet relates only to the specific material(s) designated herein and does not relate to use in combination with any other material or in any process. It has been prepared in good faith by personnel at MAXAM and we believe that the information is accurate and current on the date of preparation. No warranty expressed or implied is made. Any use of this data and information must be determined by the user to be in accordance with local laws and regulations. MAXAM assumes no liability for injuries or damages associated with the use of the product described herein.
